#4.	ELECTIONS & REFERENDA COMMITTEE
------------	--

MOTION

Moved: A. Sokhi

Seconded A. Qureshi

Be it resolved that **Silvia Zhou** from Division II and **Ayesha Dayala** be appointed to the Elections & Referenda Committee.

F. Dayala: So previously, Crystal and Samir were a part of the elections and referenda committee, since they went on leave to be a part of the elections. There are two vacant spots in the elections and referenda committee. Since the elections and referenda committee has to do a lot with elections as the as the name says , we need to fill these spots to make sure that we when we meet have enough quorum. So we need to fill the spots again. So again, as we normally do, I can open up the floor for people, whoever wants to be a part of this committee. Just in terms of time commitment and everything. It's not that much. Maybe I would say, an hour or two, maybe in this election period. Elections & Referenda committee basically overlooks the elections, the policies and procedures, how elections are gonna run, the timelines and everything, which are all which are already set, but from now on onwards, if there's any appeals to any of the decisions that the CRO makes. So for example, any demerit points are given or there are any issues or concerns in elections, elections and referenda committee meets and then the committee decides on what next steps are to be taken in case of an appeal, whether the decision of the CRO needs to be upheld, whether it needs to be changed, or other things the EARC does, I also chair the ERC and Anuskha and Lily also sit on that if we would have anything to add, feel free to do so. Otherwise, I can open the floor. So folks interested folks can send me a private message . And if we have like more than two people interested, then we can go to an election.

#5.	STUDENT CENTRE RENOVATION - PAINTING
------------	---

MOTION

Moved: F. Dayala

Seconded: N. Farawi

Be it resolved that the UTMSU expend up to \$8,500 to paint the Offices, Presentation Room, and hallways to the Blind Duck Pub from Budget Line Item: 3.20: Student Centre Management.

F. Dayala: So as folks know, the Student Centre building is super old and it needs renovations and upgrades from time to time. If folks have been in the office in the past year or so, I'm not sure, but the paint is getting pretty old, especially that it's different colors. The exec room is yellow, the back room is blue, the green room is green. It doesn't look that professional as well and the pain is starting to come off and start in the best of conditions as well. Same with the Blind Duck Hallways as well. It's been like years and years that the building was painted or upgraded the last time so now given the opportunity we have, that the students are not on campus because of COVID. We wanted to have this opportunity to discuss and have these upgrades done, which are obviously necessary to do so. And make use of this time and make sure that the buildings are ready once. We can resume back in person, hopefully, in the fall semester. So that is why we are making these upgrades and \$8,500 are going to be spent towards painting these specific rooms in the building. If folks have any questions, or anyone who wants to add on to anything feel free to do so.
